THIS GUY NEEDS TO WORK ON A FARM MILKING COWS, HE IS SATANIC LAWYER, CAME FROM DEEPEST AREA OF HELL!!! IM Lubek! What I will write here on this super jerk is absolute truth and nothing but the truth: HEARTLESS, ONE SIDED "judge" raines (no brains) sent me to jail 3x for breaking my supervision. But I never did break it, also I had crappy lawyer as proven (read one star reviews) yelp com/biz/buchcar-christopher-p-lwyr-chicago who had no idea what internet ip headers mean and raines also had no idea. People who wanted me dead in jail were chicago public schools; they said my email's ip is same as to some Vesna they fabricated. He ruined my life, my mother's too. Poor woman had to go to 100 court cases. Her health & strength seriously declined. I was an innocent man. here is truth on patrick j. rocks & linda h. hogan, cps lawyers who did me in: lawyers.findlaw com/profile/view/2014084\_1 lawyers com/chicago/illinois/linda-hogan-1045527-a/#reviews THE TRUTH ON UNJUST JUDGE IS FOREVER!!!
