"U BETTER TAKE [abuse removed] KOHSER'S THREAD OR YOU WILL NOT HAVE HAPPY LIFE..."

There have since been further more serious - if comically ungrammatical - threats. I do not normally post the email addresses of users but in the case of threateners I will. Especially homophobic threateners.

A hydra account of the same person "Fred Johnson" <fredcoldstone@gmail.com> has also been banned. The following are other email addresses that this person has used to abuse and threaten CC staff and spam Australian chess authorities (list will be updated as required and when I can be bothered):

"F.C.Classics" <general55@gmail.com>, "John Lary - OTR Shows" <gildyshows@gmail.com>, "John Lary" <John Lary <janlarysrockystatue@gmail.com>, "Michael Harris" <mikeharriswdca@gmail.com>, "Jan Lubek" <janlubekhere@gmail.com>, "Vesna (Vanessa) I" <macamalena2@gmail.com>, "lupco4ride44" <lupco4ride44@gmail.com>, "Marko I" <dairymarko@gmail.com>, "Sara Reinholtz" <sarareinholtz@gmail.com>, "Gogi George Reeves" <gogigeorgereeves@gmail.com>, "CBM IBM" <cbmibm@gmail.com>

*This is clearly one person posting under multiple names (although he claims Lubek and Steriev are different people), and may be a result of a multiple personality disorder. **Whether this person really has any of these names is unknown to us.***

The initial threat arose from a response olantirn posted to some comments posted by thekohser about internet pest behaviour by this person. olantirn's response defamed a person who was not a party to his dispute with thekohser by implying they had behaved improperly in a correspondence tournament. No evidence was provided for this accusation and another moderator responded by removing olantirn's reply and locking the thread. olantirn then tried to take the matter up on a completely irrelevant thread, and when the off-topic posts there were deleted, responded by threatening the site and us personally.

As a result of this not only is olantirn permanently banned, but any new poster who attempts to discuss the Lubek/Steriev matter or who is suspected of being olantirn will also be immediately permanently banned.

ACF officials are getting high volumes of deranged ranting and threats from this person. This person appears not to be aware that Chesschat is independent of the ACF, and hence he is wasting his time.

I LUBEK NEVER CLAIMED I WAS NOT STERIEV; HOWEVER THE ABOVE POST (AND SIMILAR) ON CRAPPY CHESSCHAT.ORG.AU BY PSYCHOPATH KEVIN 'BONEHEAD' BONHAM IS TOTALLY FALSE. HE TWISTED MY WORDS AROUND ON NOT HAVING HAPPY LIFE AS IF I WAS TO KILL THIS LYING FREAK AND I HAVE NOTHING TO DO WITH ALL OTHER NAMES AND EMAILS!!!
