## A TRIBUTE TO MY COMPETITORS

"My competitors do more for me than my friends. My friends are too polite to point out my weaknesses, but my competitors go to great expense to advertise them. My competitors are efficient, diligent, attentive and would take my business away from me if they could. They keep me alert and make me search for ways to improve my products and services. If I had no competitors I would be lazy, incompetent, inattentive. I need the discipline they enforce upon me. I salute my competitors. They have been good to me. God bless them all!"
