About

Discover the Living Truth of a Foundational Christian Belief

The Trinity is one of the most important teachings of the Christian faith. It defines God's very essence and describes how he relates to us.

In this book, Dr. James R. White offers a concise, understandable explanation of what the Trinity is and why it matters. While refuting the distortions of God presented by various cults, Dr. White shows how understanding this teaching leads to renewed worship and a deeper understanding of what it means to be a Christian. And amid today's emphasis on the renewing work of the Holy Spirit, *The Forgotten Trinity* is a balanced look at all three persons of the Trinity.

May this book deepen your understanding of this important doctrine while also drawing you closer to the triune God himself.
