# Nobody else can take you to Jamaica like we can take you to Jamaica.

## We have the only nonstop flights to Jamaica.

We're the only airline that can take you from Chicago to Jamaica without taking you someplace else first.

Our nonstop flight 243 leaves every day of the week at 11:00 A.M. for Montego Bay, and continues on to Kingston and Panama, the gateway to South America.

And more convenient flights aren't all we offer you.

## We can get you a whole week in Montego Bay for \$319.

A week in Jamaica is a great way to get away from it all.

When you arrive we pick you up at the airport and take you to the Summit Hotel in Montego Bay, where we put you up for 8 days and 7 nights.

We take you on a sightseeing tour of the city on any day you want to go. But mostly, you'll be on your own to see and do whatever you feel like seeing and doing.

Maybe some horseback riding, a raft ride down the Rio Grande River or just some shopping around the island. But whatever it is you want to do in Jamaica, we can help you do it.

We've been flying to Jamaica for over 41 years so it's safe to say we know a lot about the island. Just stop in our office in Montego Bay and we'll be glad to give you any help or suggestions you need.

After all, we want your vacation to be everything you want it to be.

And when your vacation is over we take you back to the airport for your return flight home.

The cost for the week is \$319, including your round trip economy fare, midweek departure, and double occupancy hotel room. Prices slightly lower after April 30.

## Or we can get you 3 days in Montego Bay and 5 days in Panama City for \$316.

If you're looking to get away this spring and can't decide where to go, we have two good suggestions: Montego Bay and Panama City.

When you arrive in Montego Bay we meet you at the airport and take you and your baggage to the Holiday Inn, where we put you up for 3 days and 3 nights.

We give you a welcome cocktail at your hotel, a sightseeing tour of the city, a ticket for a glass-bottom boat ride, a shopper's discount book, and a chaise longue by the pool.

And when it's time to leave, we take you back to the airport for your flight to Panama City. Where, again, we meet you at the airport and take you and your baggage to your hotel and put you up for 5 days and 4 nights.

We give you a welcome cocktail at your hotel (after all, we don't want you to think you're any less welcome in Panama than you were in Montego Bay).

We take you on a sightseeing tour of old and new Panama, give you a free ticket to the President Remon Racetrack, and one to the Panama Golf Club. We buy you a drink at Club 21.

And when it's time to go home, we take you back to the airport for your return flight. The cost for the week, based on double occupancy hotel accommodations and round trip economy group inclusive tour fare is only \$316 plus \$3 departure tax.

Effective May 1, subject to government approval. Prices based on groups on 10 or more. We help you join a group. Reservations should be made at least 14 days before departure.

The vacations we've just described are just some of the vacations we're offering. In fact, we have more bargain vacations to more islands in the Caribbean than any other airline.

If you'd like to know more about them, just call your Pan Am travel agent or Pan Am.
