Matt, the owner is pathetic and lacks understanding. He did not like the fact that my mother drove me to his crappy studio. He accused me of being grown ass man of 50 (was 40) who is mama's boy but he did not realize my car was broken beyond repair I was in the process of buying Volvo GL. His behavior is totally unacceptable. I had to hire lawyer to get my music. He refused to give it to me even though I paid for his crappy services. THIS STUDIO IS HIGHLY NOT RECOMMENDED. WHEN HE GETS ANGRY, YOU CAN NOT REASON WITH HIM. TALK ABOUT AN ATTITUDE TO SAY THE LEAST...

Say WHAT? There are no associates here. This crappy "medical association" belongs to Meera G. Madappallil. She is very rude individual. When my grandma Santa Wanda Nida was dying on intubation, together with her associate at the time pathetic"doctor" Maher M. Najjar, ignored all our phone calls, all our petitions to be heard by her, to be heard by Najjar. Never happened. They just left her to die and not to say her final good-byes. My soulmate was taken away from me. In reality, I only had grandma who gave me unconditional love and understanding. Very precious soul.

Her overall ratings everywhere are beyond pathetic and terrible:

Meera & her no good associate Maher Najjar"

Look how they left poor woman to suffer in bed, tied up, more thirsty (because of intrusive intubation) than on Desert Sahara:

Some people must go to her because of insurance but they all complain about her. MEERA G. MADAPPALLIL IS HIGHLY NOT RECOMMENDED, FOREVER, SAME GOES FOR MAHER M. NAJJAR!!!
