Block

Hi. I blocked you based on [Special:Diff/7249196](#), which matches the edits of an LTA. However, since you have made a load of other good edits here, as well as some on the English Wikipedia, I was wondering: did someone email you asking you to make that edit? If so, my apologies for assuming you were that LTA. Thanks, --[DannyS712](#) (talk) 00:26, 4 January 2021 (UTC)

Adding a bit more context. The person who probably emailed you has been harassing Wikipedia editors for over 10 years, including attempts at doxxing and death threats. He is also banned by the Wikimedia Foundation. His name is public information and he has no expectation or right of privacy, especially considering it is he who made his name publicly known. He emails dozens of random users asking them to remove his name, and it is thus probable that, at some point, an editor would believe his emails and remove his name. Best regards, [Vermont](#) (talk) 00:36, 4 January 2021 (UTC)

Yes, I got an email from [larosvetitelj](#). Sorry about that. I didn't think. [ChessEvan4](#) (talk) 02:08, 4 January 2021 (UTC)

@[ChessEvan4](#) in that case, I'm sorry for blocking you, and thank you for explaining. You had no way of knowing that the email was from a banned user. I hope you'll continue to contribute! Happy new year, --[DannyS712](#) (talk) 02:36, 4 January 2021 (UTC)

No worries, thank you for keeping Wikipedia a good environment for everyone here :) [ChessEvan4](#) (talk) 04:34, 4 January 2021 (UTC)

O NO!!!!!!!!!!!! THESE PEOPLE ARE LYING; that user never, ever made public name, HE IS NOT LTA; he never, ever made public threats; vermont & dannyS712 are lying and yes that person has the right to privacy as everybody else does; NO THAT NAME IS NOT PUBLIC INFORMATION BECAUSE THAT IS FAMILY NAME; What you did is the right thing and is appreciated by whole family. THEY ARE THE REAL LTA! I will email you tons of proof to prove you above super vandals who put that family name public that is causing huge problems in real life and to the instigators as it will only increase, as we are here to stop this no matter what it takes and legal action against wmf is pending.... we will make sure vermont chris gates, dannys712 come to court too with others! Action is being taken to destroy all wikimedia sponsors as well!
