detective... Like he dig up some crap about me how I was suspended from some crappy American Chess Federation nobody heard of in October 1999... Hearsay crap is not legal and thus not admissible in courts. And Cardinal Kupich does not care (or may not even know whats going on as his personal staff is ignorant as hell) as he is busy with closing down the churches and renaming them into somethin really stupid as nobody no longer knows what joined church he/she belongs to...

This is only a drop in an ocean what happened...

LET ALL KNOW FOREVER... THAT ALL SAINTS CEMETERY WITH ALL CEMETERIES OF ARCHDIOCESE OF CHICAGO DO NOT KNOW WHAT CONSECRATED/HALLOWED GROUND MEANS AND THIS IS THE TRUTH THEY WANT TO CREMATE:

This cemetery has disrespected entire family of the deceased Wanda Nida and they even disrespected the image of Divine Mercy BIG TIME....

Bill Metz, All Saints Director gave us choices or else and he admitted only original image was used in making "final image" for The Saint!!!

Here's what Bill Metz wrote us to intimidate us...

I have been in contact with my Director (Ted Ratajczyk, chief of all catholic cemeteries for archdiocese of Chicago)

regarding this image of the Divine Mercy you are requesting. The Director has been more than accommodating

giving you this option of having the Divine Mercy superimposed with the Cross on your

grandmothers crypt.

Adjustments have been made to the [original image] you sent to meet our requirements. To

3. no portrait

Options 2 and 3 are no options because we fought long time for the Divine Mercy of Jesus ONLY and now there is no portrait, talk about blackmail and Nida family and its friends are personas non grata at All Saints Cemetery aka The UnHallowed Grounds. It is ever thus...

Below photo is the photo of the servant of Divine Mercy of Jesus, Saint Wanda Nida leaving church (after church services)

December 17 2009!!! (check what photo is in the background, not by coincidence and she was not encrypted by

coincidence on January 5 2011, exactly at 3:01PM)!!! Also included, pics of Wanda Nida's Emblem and

correct and incorrect images of Divine Mercy!!! Also Cardinal Kupich does not care and people

around him have no idea they what sacrilege means and can't relay even diddly squat!!!

Alternatively:

ill Metz, cemetery chief (with his directors) ignored the sanctity of the image of Divine Mercy; he played games with it;

now we are planning to sue cemetery for 6000\$ for improper care and lack of care of the crypt.

Ted Ratajczyk, chief of all cemeteries also does not care like his mentor, previous chief Roman Szabelski.

Cardinal Blase Kupich is also indifferent and he also has very ignorant staff who only delivers news to him

he likes to hear in same style as was criminals George Bush Jr and Dick Cheney wanted to

hear when they illegally attacked Iraq in 2003, where hell and anarchy rules supreme to this day.
