Rocky's Interests	
General	My professional record is 49-0-0, it should have been 50-0, i certainly wanted one more profitable fight but nobody took me seriously i will retire. I wanted 25K under the table so Weill doesnt get a cut of it. I won 51 straight fights including final 2 amateurs before turning pro. I wish Joe Calzaghe all the best, good lad, he deserves to break my record! I'd love to fight Klitchkos, but I need 15 rounds, I could do well against anybody, holyfield, lewis, foreman might have been problems but I adjust to all styles like I did to ali!
Books	So many books on me suck. They do mention Weill was big ahole but also I owe him in part my success, he was a good manager! I was not 30-0 in the army but I was undefeated!

Rocky's Blurbs

About me:

I am alive forever more and kicking & punching so called boxing pretenders & losers who use me to their advantage, shame on those who disrespect rockymemorial group, one day they will all wish they were part of it!

Our thanx to Mr. L.J. Lary and his rockymemorial group for their uneasy job trying to create rocky memorial, for making the Rocky Marciano statue possible. NEVER No thanx to no good ignorant WBC, its presidents Jose Sulaiman, Mauricio Sulaiman & their cheap lawyer Robert, for lying about it, not telling us and the world on time, WBC should not be allowed in USA. Brockton ignorants (those who are and you know who you are) be glad for our assistance! We made it ALL possible! Wbc thinks they gave money for the statue and now they rule, forget it! They should have never touched it! There will be no blessings in this lowly statue! The statue should honor (with a plaque attached permanently to the statue) greats like Langford, Peter Jackson, Toni Alongi (protege of marciano), not just one man as Rocky would have wanted it!

Who I'd like to meet:

I dont want to meet my pathetic/lowly statue, 12ft tall, damn it, I was 5'11, 180cm, I was proud of it, where is greatness in a giant? And the statue does not look like me! The pathetic brockton mayor & many of its people simply dont want to listen to reason, idiots, all they do is argue where this stinking statue should go, instead of thanking rockymemorial group for giving them one! What BUNCH OF UNGRATEFUL LOSERS!
