WARNING, LET IT BE SAID, LET IT BE DONE, LET IT BE FOREVER & EVER REMEMBERED...

Terrible "doctor" Maher M Najjar is not a "pulmonologist"... avoid him at all costs or you and/or your loved ones will end up on the other world. "Doctor" is very rude. He does not care about patients, he does not return phone calls even in worst of cases. He does not give psychological support, he does not console family members. HE SIMPLY DOES NOT CARE, HE JUST WANTS TO BE PAID FOR DOING NOTHING AND CAUSING PAIN TO HIS PATIENTS AND THEIR FAMILIES!!!

WARNING, LET IT BE SAID, LET IT BE DONE, LET IT BE FOREVER & EVER REMEMBERED...
